

## 2018 Scholarship App

The 2018 NJALL Scholarship Application will be available on

March 1, 2018

Adult Educators:

Will one of your students/graduates win  
a 2018 NJALL Scholarship?

Do you know an outstanding adult student who has earned a high school diploma through your program and is now attending college or soon will be?

Have you tapped that person on the shoulder to apply for the NJALL Scholarship?

They may not apply unless YOU encourage them to do so.

Students can get the application after March 1 and must submit it by April 30, 2018

Don't let your eligible students/graduates miss this opportunity!
