Adult Educators -
Will one of your students/graduates win
a 2017 NJALL Scholarship?

Do
you know an outstanding adult student who has earned a high school
diploma through your program
and is now attending college or soon will
be?

Have you tapped that person on the shoulder to apply for the NJALL Scholarship?

They may not apply unless YOU encourage them to do so.

Students can get the application here,
and must submit it by May 1, 2017

Don't let your eligible students/graduates miss this opportunity!
